<http://www.nmu.ac.in>

## Mission of the University

To impart relevant quality higher education to the students, to groom them to be conscious researchers, technologists, professionals and citizens, bearing the torch for disseminating knowledge in masses for sustainable socio-economic development of the society.

**Prof. P. P. Patil**  
Vice chancellor

## Foreword

Education is the most important tool for equitable socio-economic development and empowerment of the weaker sections of the society. Education, if holistic, value-based, affordable and accessible can definitely lead towards economic prosperity and make India a lead global player.

North Maharashtra University offers a blend of modern, applied, job oriented as well as conventional courses with the best research facilities, supporting infrastructure and conducive environment for research-teaching-learning, student development and community outreach. The emphasis is to create global citizens who will contribute significantly towards and edifying future of sustainable development of the nation.

We acknowledge the inspiration, motivation and guidance of the Honorable Chancellor and the Governor of Maharashtra who always steers the University on the constructive path of higher education.

The administration, academic departments, researchers, scholars, students and all stakeholders of North Maharashtra University, Jalgaon are committed to this noble cause of development.

  
**Prof. P. P. Patil**  
Vice Chancellor
